Tibor Trans Ltd. based in Győr, Hungary, provides expertise in the transportation and forwarding of different kind of commodities throughout Hungary and Europe.

Our company was founded in 1997. The company is in 100 % Hungarian private ownership.

Tibor Trans Ltd. facilitates the transportation and forwarding needs of all companies. The fleet consists of 50 different trucks that are owned by Tibor Trans Ltd. Our environmental friendly trucks meet EURO 4-5 requirements and have ADR examination. In addition, there are mobile phones for fast and exact information exchange in all trucks.

Our CMR insurance valid to 350.000 EUR. However we also can take out additional insurance. Tibor Trans Ltd. is in possession of every international transportation licence. Our company has Hungarian Transportation Licence too (BÁF).

Our office is open from 8 a.m. to 5 p.m. at weekdays, but customers can reach us every time, also on weekends, via mobile phone.

Tibor Trans Ltd. is striving for excellence. Therefore we continuously improve quality of our services and invest in improvements in technology of trucks. So, we can always meet our costumers' expectations.

Yours sincerely,

Tibor Polgár & Sándor Polgár
managing directors, owners
